S4 Inc. Awarded Patriotic Employer Award for support of Military Employees

Bedford, MA and Omaha, NE (19 Sep 2018) - On Patriot Day 2018, S4 Inc. was presented with the Patriotic Employer Award by the Office of the Secretary of Defense, Employer Support of the Guard and Reserve (ESGR). ESGR, a DoD Program, has served our country for more than 45 years, fostering a culture in which all employers support and value the employment and military service of members of the National Guard and Reserve. The OSD's Patriotic Employer Award applauds S4 for supporting employee participation in America's National Guard and Reserve Force. S4 was nominated for this award by an employee in Omaha, NE. The nomination read:

"S4 Inc. has allowed me to attend numerous training opportunities through the National Guard that has required me to be gone for extended periods of time. Last October I was in Ft. Hood, TX for four weeks for WIN-T training, and this January I attended Ranger School for three months and graduated this past April. For recovery, they allowed me to take a week off after returning.

S4 has encouraged me to attend these training events and continue to progress in my military career. Having an employer that stands behind me as a Guardsman has made my military/civilian life much less stressful. I appreciate everything they have done for me and I am amazed by their support."

- A.D., Omaha, Nebraska
S4 Inc employee since 2017
