

## Benefits of ITES-3S

- Any Federal Agency can use the ITES-3S vehicle with No Fee - a great capability for all concerned!
- This contract vehicle can be used within the continental United States and globally, to include current warzones.
- Through the use of ITES-3S, users have a flexible means of meeting IT service needs quickly, efficiently, and cost-effectively.
- ITES-3S is available for use from now through 2027.
- Firm Fixed Price (FFP), Time and Materials (T&M), and Cost Reimbursement (CR) Task Orders (TOs) are all authorized under this contract.
- Army CHES maintains an IT e-mart, a no-fee flexible procurement strategy through which an Army user may procure COTS IT hardware, software, and services.

## How to Use ITES-3S

To order services on this vehicle, please use the Team S4 Ordering Guide located at <http://www.s4inc.com/ites3s>.

Questions regarding these guidelines and procedures for placing orders against the contracts should be directed to Computer Hardware, Enterprise Software and Solutions (CHES).

# ITES-3S

*IT Enterprise Solutions-3 Services*

***A No Fee Contract Vehicle serving US Army and Federal Government IT-Related Service Needs***

## What is ITES-3S?

The Information Technology Enterprise Solutions-3 Services (ITES-3S) is an Indefinite Delivery Indefinite Quantity (IDIQ) contract vehicle that is expected to serve as the primary source of information technology (IT)-related services for the US Army across the globe.

The overall objective of ITES-3S is to provide a broad range of enterprise-level support services for Information Technology integration and service management activities to the Army, other DoD agencies, and all other Federal agencies including but not limited to, locations CONUS, OCONUS and warzone areas.

Services task areas include:

- Cybersecurity Services
- Information Systems Security
- Information Assurance
- IT Services
- Enterprise Design, Integration and Consolidation
- Network/Systems Operation and Maintenance
- Telecommunications/Systems Operation and Maintenance
- Business Process Reengineering
- IT Supply Chain Management
- IT Education and Training

## About S4 Inc.
